High-intensity LEDs.
Easy-to-install.
MUTCD compliant.

*Promotion valid on purchases made 8/1/19 through 11/1/19. Restrictions apply. [LEARN MORE>](#)

The LightGuard Systems RRFB and LED Flashing Sign Systems are economical, easy-to-install pedestrian safety measures that increase motorist yielding. They use high-intensity LEDs to alert drivers of pedestrians in a crosswalk in real-time. This limited-time special on the LightGuard Systems Wireless Solar Powered Rapid Rectangular Flashing Beacon (RRFB) School Crossing Sign System (LGS-WRRFB-F-S1) and the Solar Powered Wireless Flashing LED School Sign System (LGS-W-SIGN-S1) begins August 1, 2019 and ends November 1, 2019. Qualifying orders must be confirmed by LightGuard Systems before 11/1/19. Discount is only applicable on the below LGS PN#'s and components on orders with prepayment terms applied to the entire purchase order. No other discounts may be applied in combination with this offer. This offer is subject to change at any time. Each system is sold separately.
